EXPERIENCE

Client Associate Account Manager | EPIC Insurance Brokers & Consultants

Newport Beach, CA | Jan 2024 – Aug 2024

– Supported the management and servicing of 15+ large-group accounts (500–3,000 employees), working alongside Client Executives and coordinating with clients, carriers, and third-party administrators to ensure seamless service delivery.

– Prepared and delivered renewal presentations and financial reports, supporting Client Executives in retaining high-value accounts and driving informed decision-making.

– Resolved complex client and employee issues, including benefit claim disputes, eligibility concerns, and policy inquiries, maintaining strong client relationships and satisfaction.

– Developed and maintained strategic relationships with insurance carriers and TPAs, facilitating clear communication and conflict resolution.

– Leveraged industry-leading BenAdmin platforms to manage policy details, commission structures, and documentation, ensuring compliance and data integrity.

– Ensured regulatory compliance across all client deliverables, including marketing materials and benefit documentation.

Marketing Account Analyst | Acrisure (Insurance Division)

Remote | Lake Forest, CA | Mar 2020 – Jan 2024

– Supported brokers and Account Managers in managing a small group book of business, assisting with onboarding, quoting, and client implementation.

– Led pre-sale marketing initiatives for small accounts, driving targeted outreach strategies that engaged prospective clients and maximized lead conversion.

– Managed the end-to-end RFP marketing process, guiding brokers from initial engagement through successful implementation, ensuring a seamless client experience.

– Built and maintained strategic relationships with carrier vendors, serving as a trusted liaison between carriers and clients, facilitating clear communication and negotiation.

– Utilized AI quoting tools to streamline the quoting process and improve accuracy for small group accounts.

– Delivered training and onboarding programs for internal team members and external broker partners to enhance proficiency and best practices.

Benefits Marketing & Admin Assistant | LA Pinnacle Insurance Agency

Rowland Heights, CA | Apr 2019 – Mar 2020

– Supported the administration of group and individual health insurance plans, ensuring accurate enrollments, terminations, and policy updates.

– Managed day-to-day client and employee requests, including claims support, eligibility verification, and coverage issue resolution.

– Prepared renewal comparisons and marketing packages to assist brokers in making informed recommendations to clients.

– Coordinated with carriers to resolve coverage issues and maintain compliance with policy requirements.

– Utilized Excel and Word & Brown to organize client data and streamline reporting processes.

Intern/Admin | Allstate

Cerritos, CA | Dec 2018 – Apr 2019

– Supported administrative operations and customer service functions, assisting with policy documentation, client inquiries, and day-to-day office tasks.

– Gained exposure to insurance products and client service workflows, building a foundation for a career in benefits and insurance.

– Assisted with data entry, filing, and client communication, ensuring accuracy and timely follow-up.

EDUCATION

M.S. in Digital Marketing & Analytics | California State Polytechnic University-Pomona | 2024 – 2026

– Completed graduate-level coursework in data analytics, marketing strategy, and digital tools (RStudio, Google Analytics, SQL, BigQuery).

– Applied analytical skills to real-world marketing and client experience projects, enhancing data-driven decision-making capabilities.

B.A. in Communications | UC San Diego | 2016 – 2019

CERTIFICATIONS
