PROFESSIONAL SUMMARY

Employee benefits and client service professional with 5+ years of insurance experience and a completed M.S. in Digital Marketing & Analytics. Supported servicing and retention of 15+ large-group accounts (500–3,000 employees) alongside Client Executives. Brings renewal, carrier coordination, and reporting experience plus graduate client consulting in campaign strategy and analytics.

SKILLS

Benefits: Renewals, open enrollment, carrier relationships, compliance, BenAdmin platforms

Client service: Relationship building, issue resolution, retention support, presentations

Tools: Excel, Word & Brown, AI quoting tools, RStudio, Google Ads, Google Analytics, BigQuery/SQL

Languages: English (fluent), Mandarin (conversational)

EXPERIENCE & CLIENT CONSULTING

Digital Marketing Consultant (Graduate Capstone) | Trauma Resource Institute (TRI)

Cal Poly Pomona client engagement | Fall 2025 – Summer 2026

– Analyzed Google Ad Grants campaign data and search intent to identify campaign, keyword, ad, and landing-page optimization opportunities.
– Built campaign dashboards and an R Shiny diagnostic app; translated findings into client presentations and actionable recommendations.
– Developed display advertising budget allocation and rollout timelines for TRI's 20th Anniversary Conference.

Client Associate Account Manager | EPIC Insurance Brokers & Consultants

Newport Beach, CA | Jan 2024 – Aug 2024

– Supported management and servicing of 15+ large-group accounts (500–3,000 employees) alongside Client Executives; coordinated clients, carriers, and TPAs.
– Prepared renewal presentations, financial reports, and client deliverables to support retention and informed decisions.
– Coordinated resolution of claims disputes, eligibility concerns, and policy inquiries; maintained carrier and TPA relationships.
– Maintained policy details, commissions, and documentation in BenAdmin systems; supported compliance and data integrity.

Marketing Account Analyst | Acrisure (Insurance Division)

Remote | Lake Forest, CA | Mar 2020 – Jan 2024

– Supported brokers and Account Managers with small-group onboarding, quoting, and implementation; coordinated end-to-end RFP marketing.
– Led pre-sale outreach and maintained carrier relationships, facilitating communication and negotiation.
– Used AI quoting tools to improve quoting accuracy; trained internal teams and broker partners on platform workflows and best practices.

Benefits Marketing & Admin Assistant | LA Pinnacle Insurance Agency

Rowland Heights, CA | Apr 2019 – Mar 2020

– Supported group and individual plan administration, enrollments, terminations, and policy updates; handled claims, eligibility, and coverage requests.
– Prepared renewal comparisons and marketing packages; coordinated carrier follow-up and policy compliance.
– Organized client data and reporting with Excel and Word & Brown.

Intern/Admin | Allstate

Cerritos, CA | Jun 2018 – Sep 2018

– Supported policy documentation, client inquiries, office tasks, data entry, filing, and customer communication; gained insurance service experience.

EDUCATION

M.S. in Digital Marketing & Analytics | Cal Poly Pomona | 2024–2026 (completed)

Graduate coursework in analytics, marketing strategy, RStudio, Google Analytics, SQL, and BigQuery; applied learning to client and marketing projects.

B.A. in Communications | UC San Diego | 2016–2019

CERTIFICATIONS

– Accident, Health, Life, Variable Life & Variable Annuities
– Google Analytics Certification; Introduction to BigQuery/SQL
